My name is Tonya! I am a spirital Mama who loves creating in so many ways!

I started my journey as a young, free-spirited bartender. After becoming sober in December 2020, I decided to go back to school and develop my skills as a difital artist, but my passion is everything occultic See, Jewelry is just the start. I have become obsessed with the law of Attraction and energy frenquencies. RAW STONE is a way of sharing my love of all things energetically pleasing. Join me on this journey as I unfold the endless creative possibilty that the sober world has to offer!

## Quality Assurance

It is important to us that our customers know that our jewelry is:

constructed and crafted with absolute quality in mind! RAW STONE using Stainless steel and 100% natural, semi-precious stones. We do not cheap out on the materials!

We love creating everyday stone pieces that are beautiful yet sudble..

We know that you want good jewelry that will last and we wont settle for less than what you deserve!
